Gabriel Monares	County of Los Angeles
Bryan Coreas	County of Los Angeles

Members of the public may provide electronic comments by Monday, March 20, 2023, by 4:00 p.m. to info@HabitatAuthority.org. Please label the email in the subject heading as "Public Comments." Public comments may also be verbally heard during item IV of the meeting.

72 hours prior to Citizens Technical Advisory Committee meetings, the entire Citizens Technical Advisory Committee agenda package is available for review, along with any meeting-related writings or documents provided to a majority of the Committee members after distribution of the agenda package, at the Authority's website, <u>www.habitatauthority.org</u>. In accordance with the Americans with Disabilities Act of 1990, if you require a disability related modification or accommodation to participate in this meeting, including auxiliary aids or services, please call Andrea Gullo at 562.945.9003, at least 48 hours prior to meeting.

Pursuant to Section 54956 of the Government Code, the Puente Hills Habitat Preservation Authority (Authority) will hold a special meeting of the Citizens Technical Advisory Committee (CTAC) at the above time and location for the purpose of:

Oath of Office for new Advisory Committee member Gabriel Monares.

# AGENDA

- I. Call to order.
- II. Roll call.
- III. Introduction of new Advisory Committee Member, Gabriel Monares.
- IV. Public comments.
- V. Approval of Minutes for the February 14, 2023, Regular Meeting.
- VI. Standing Reports:

- a) Report by Board Liaison on previous months' Authority Board of Directors meetings.
- b) Committee Member feedback from the public as it relates to the Habitat Authority.
- VII. Discussion: Receive and file January 2023 Mountains Recreation and Conservation Authority (MRCA) Ranger Report.
- VIII. Discussion and recommendation to the Authority's Board of Directors on the approval of comments on the Los Angeles County East San Gabriel Valley Area Plan Draft Environmental Impact Report and Draft Plan Documents.
- IX. Receive and file the Authority's fiscal year 2021-22 end of the year budget report, and fiscal year 2022-23 mid-year budget report.
- X. Closing Remarks (Comments/questions from Committee Members and/or Executive Director).
- XI. Adjournment and announcement of the next meeting.

The Puente Hills Habitat Preservation Authority is a public entity established pursuant to the Joint Exercise of Powers Act by agreement between the City of Whittier, Los Angeles County, and Sanitation Districts of Los Angeles County. Regular meetings of the Citizens Technical Advisory Committee are scheduled for the Tuesday before the third Thursday of every month. Questions about any agenda item can be addressed to Andrea Gullo, Executive Director, 562.945.9003.

#### DRAFT Minutes PUENTE HILLS HABITAT PRESERVATION AUTHORITY CITIZENS TECHNICAL ADVISORY COMMITTEE February 14, 2023

This meeting took place remotely in accordance with Government Code section 54953(e) et seq. (AB 361) and Resolution 23-01, adopted by the Board of Directors on January 19, 2023. Members of the public could have observed and participated in the meeting as follows:

Via video (Zoom) and telephonically at this address: https://us02web.zoom.us/j/85461998678

- or - Phone at these numbers: +1 669 444 9171, or +1 669 900 6833 Meeting ID: 854 6199 8678

The regular meeting of the Citizens Technical Advisory Committee was held on Tuesday, February 14, 2023, via video and telephonically.

## I. CALL TO ORDER.

Chair, Matthew Liang, called the meeting to order at 7:09 p.m.

### II. ROLL CALL.

A roll call was taken, and there was a quorum at this.

Members Present:Matthew Liang, ChairCountCatherine HouwenLa HaAdam NazaraoffLa HaJeff Brauckman, Vice ChairWhittiBryan CoreasCount

### **Members Absent:**

Ray Wong Gabriel Monares (vacant) (vacant) County of Los Angeles La Habra Heights La Habra Heights Whittier County of Los Angeles

Whittier County of Los Angeles Whittier La Habra Heights

### Authority Representatives Present:

Andrea Gullo, Executive Director Marlyn Barajas, Program Analyst

### III. INTRODUCTION OF NEW ADVISORY COMMITTEE MEMBERS

Draft Minutes February 14, 2023 Page 2

Bryan Coreas took the Oath of Office before the meeting began. Member Coreas and new staff member Marlyn Barajas introduced themselves.

### IV. PUBLIC COMMENTS.

Steve Huber representing Whittier Area Audubon provided an update regarding the group's monthly Saturday hikes in Sycamore Canyon.

### V. DISCUSSION AND POSSIBLE ACTION REGARDING ELECTION OF CHAIR AND VICE CHAIR AND SELECTION OF BOARD LIASON

Executive Director Gullo provided a report.

Member Brauckman motioned to elect Vice Chair Liang for the position of Chair. Member Houwen seconded the motion, and in a roll call vote the motion passed unanimously.

Member Houwen motioned to elect Member Brauckmann for the position of Vice Chair. Chair Liang seconded the motion, and in a roll call vote the motion passed unanimously.

Chair Liang motioned to nominate Member Houwen to continue serving as the Committee's Board Liaison. Vice Chair Brauckmann seconded this motion, and in a roll call vote the motion passed unanimously.

# VI. APPROVAL OF MINUTES FOR THE NOVEMBER 15, 2022, REGULAR MEETING

Member Nazaraoff motioned to approve these minutes as drafted and Member Houwen seconded the motion. A roll call was taken, and the motion passed unanimously.

### VII. STANDING REPORTS:

## a. REPORT BY BOARD LIAISON ON PREVIOUS MONTHS' AUTHORITY BOARD OF DIRECTORS MEETING.

Member Houwen provided this report.

### b. REPORT FROM THE SOCIAL MEDIA SUBCOMMITTEE.

Executive Director Gullo provided a report regarding social media activity.

#### c. COMMITTEE MEMBER FEEDBACK FROM THE PUBLIC AS IT RELATES TO THE HABITAT AUTHORITY.

Executive Director Gullo, Chair Liang and Director Yip attended the Hacienda Heights Improvement Association's (HHIA) annual meeting.

#### VIII. DISCUSSION: RECEIVE AND FILE NOVEMBER AND DECEMBER 2022 MOUNTAINS RECREATION AND CONSERVATION AUTHORITY (MRCA) RANGER REPORT

This item was discussed. After discussion, the Chair received and filed this report.

### IX. UPDATE, RECEIVE AND FILE REGARDING AUTHORITY COMMENTS ON DRAFT ENVIRONMENTAL IMPACT REPORT FOR THE BREA BOULEVARD CORRIDOR IMPROVEMENT PROJECT

Executive Director Gullo provided a report on the matter. There was discussion.

### X. RECEIVE AND FILE UPDATE REGARDING IN-PERSON MEETINGS AND TELECONFERENCING RULES UNDER THE BROWN ACT AS THE COVID-19 STATE OF EMERGENCY ENDS ON FEBRUARY 28, 2023

Executive Director Gullo provided a report on the matter. Beginning in March 2023, the Committee is scheduled to meet in-person at the City of Whittier's Palm Park located at 5703 Palm Avenue, Whittier, CA 90601.

XI. DISCUSSION AND POSSIBLE RECOMMENDATION TO THE BOARD OF DIRECTORS REGARDING ADOPTING BOARD RESOLUTION 2023-03 AUTHORIZING THE EXECUTIVE DIRECTOR TO APPLY FOR AND ENTER INTO GRANT AGREEMENT WITH STATE OF CALIFORNIA, DEPARTMENT OF FORESTRY AND FIRE PROTECTION FOR PUENTE HILLS FUELS REDUCTION II PROJECT, AND ANY OTHER REQUIRED GRANT-RELATED DOCUMENTS

> Chair Liang made a motion to recommend that the Board of Directors adopt Resolution 2023-03, and Member Houwen seconded the motion. A roll call was taken, and the motion passed unanimously.

### XII. CLOSING REMARKS (COMMENTS/QUESTIONS FROM COMMITTEE MEMBERS AND/OR EXECUTIVE DIRECTOR)

Member Nazaraoff welcomed new members and made comments regarding social media posts. Member Houwen made comments on a donation received from the Whittier Conservancy Board.

# XIII. ADJOURNMENT AND ANNOUNCEMENT OF NEXT MEETING

There being no further comments, or business to be discussed, Chair Liang adjourned the meeting at 8:09 p.m. The next regularly scheduled meeting date is March 14, 2023.

January 31, 2023

# Puente Hills Habitat Preservation Authority Ranger Services Activities for January 2023

- Continued general patrol for: providing visitor information, identifying hazardous conditions and correcting illegal activity.
- Continued general maintenance for: graffiti removal, vandalism repair, litter and dumping removal, fence and gate repairs, sign installations and repairs and trail maintenance.
- Communicated with Habitat Authority trail watchers about trail conditions and hazards.
- Gave a power-point presentation on ranger services at the Puente Hills Habitat Preservation Authority (Habitat Authority) Board meeting.
- Participated in our ranger monthly management meeting.
- Met with fuel modification contractor for upcoming clearance.
- Met with La Habra Heights Fire Marshall regarding tree down on Skyline fire road. Contacted L.A. County for the removal.
- Picked up dumping including:
  - Debris at Arroyo Pescadreo.
  - Debris at Arroyo San Miguel gate.
  - Dresser/mirror at Powder Canyon gate entrance.
  - Construction debris on Skyline Drive above Powder Canyon.
     Received vehicle plate # of the dumper from neighbor, made contact at the dumpers residence and they removed the debris the next day.
- Continue to notify the Habitat Authority staff of all unsuccessful animal road crossings that are observed at or near Habitat Authority property. During the month of January the following animal was observed.
  - Skunk on Fullerton Rd.
- Continue to monitor the Harbor underpass. No activity to report.
- Continue to pick up dog defecation at all the trailheads.

- Reported a fallen oak tree on the Native Oak Trail to L. A. County.
- Secured the Elderberry gate due to vandalism.
- Inspected the La Habra Heights roof after the rain.
- Inspected the roads and trails for downed trees and trail damage after the rain.
- Continue to patrol the SCE, Brea 57 site and Monterey mitigation sites in Powder Canyon and the Olinda site in Arroyo San Miguel.
- Dealt with various violations including:
  - In the Preserve after hours at Sycamore Canyon, Hacienda Hills, Powder Cyn., Hellman Park and Arroyo Pescadero.
  - Parking violations at Arroyo Pescadero, Hacienda Hills Trailhead, Sycamore Canyon and Ford property.
  - Dogs in Sycamore Canyon
  - Hikers in Turnbull Canyon and Powder Canyon after rain.
  - Loud music in the Hacienda Hills and Arroyo Pescadero.
  - Smoking at Ford property.
  - Alcohol in Turnbull Canyon.
  - Warn and advise electric bikes in Powder Canyon and Hacienda Hills.
  - Dogs off leash at Arroyo Pescadero.
  - Bikes in Arroyo Pescadero.
- The Preserve was closed several days in January due to rain.
- Searched Worsham Canyon for any homeless activity. No activity to report.
- Due to safety concerns and overcrowding at the Turnbull Canyon entrance, we previously worked with the owner of the property and Whittier Police Department to secure the vacant lot that is next to the entrance. The lot needed to be re-secured once in January.
- Continue to contact the Los Angeles County Department of Street Maintenance regarding the graffiti along Turnbull Canyon Road.
- Continue monitoring the surveillance cameras at various trailheads in attempt to catch the vehicle break-in perpetrators. We are also coordinating with Whittier Police and L.A. County Sheriff. There was a vehicle burglary at Sycamore Canyon Trailhead and Arroyo Pescadero Trailhead in January.
- Discovered a laptop next to the restroom at Arroyo Pescadreo. Turned it in to Whittier Police.

- Continue to check and re-post trail closure signs and rope-fence at unauthorized trails and restoration areas in Turnbull Canyon, Worsham Canyon, Powder Canyon and Hellman Park.
- Continue to conduct perimeter patrols of all property for fence damage, illegal access points, rope swings, and encroachments.
- Received several calls during the month of January to our 24-hour ranger emergency services number including:
  - Several calls for hikers locked in at Hellman Park.
  - Several inquiries if the Preserve is open.
  - Hikers locked in at Orange Grove Ave.
  - Reporting hikers jumping the fence at the end of Orange Grove Ave.
  - Hiker sprained her ankle in the Hacienda Hills.
  - Reporting a downed tree in Hacienda Heights.
  - Reporting that her dog was killed by a coyote in her back yard.
     Washington Blvd/605 Fwy.
  - Dumping on Skyline Drive.
  - Reporting a coyote roaming around the 605 Fwy and the riverbed.
  - Resident calling to thank the rangers for handling the illegal dumping.
  - Reporting the Hacienda Hills Trailhead was opened 5 minutes before 9am.
- Continue to work closely with Executive Director Andrea Gullo on various projects and assignments as requested.

If you have any questions, or would like any additional information, please feel free to contact me anytime. Thank you.

Sincerely,

KE Hughes

Kenn Hughes Deputy Chief Ranger Puente Hills Habitat Preservation Authority Endowment Provided by the Puente Hills Landfill

MEMORANDUM

Agenda Item:	VIII. Discussion and recommendation to the A
Through:	Andrea Gullo, Executive Director
Prepared by:	Michelle Mariscal, Ecologist
To:	Citizens Technical Advisory Committee
Meeting Date:	March 23, 2023

#### genda Item: VIII. Discussion and recommendation to the Authority's Board of Directors on the approval of comments on the Los Angeles County East San Gabriel Valley Area Plan Draft Environmental Impact Report and Draft Plan Documents.

### Background:

The proposed East San Gabriel Valley Area Plan (ESGVAP) is a community-based plan that focuses on land use and policy issues that are specific to the unique characteristics and needs of the East San Gabriel Valley Planning Area. The Project would update and consolidate two existing community plans (Rowland Heights and Hacienda Heights) into the Area Plan. The Authority's draft comments focus on maintaining the health of the regional ecosystem within the Puente-Chino Hills Wildlife Corridor to which the Authority's Puente Hills Preserve is biologically connected and dependent.

As the Lead Agency, the County of Los Angeles released a Notice of Availability of a Draft Program Environmental Impact Report (Draft PEIR) and draft ESGVAP documents for public review on February 27th. Please see the Authority's attached draft comment letter (Exhibit A) regarding the Draft PEIR and draft plan documents. The deadline for submitting comments is April 12, 2023. The Notice of Availability (Exhibit B), Draft PEIR, and draft plan documents are posted on the County's website:

https://planning.lacounty.gov/site/esgvap/about/project-documents/

<u>Attachments:</u> Draft comment letter Notice of Availability

### Recommendation:

That the Committee recommends to the Board of Directors that they approve the attached comment letter.

DRAFT

March 22, 2023

Mi Kim, Supervising Regional Planner County of Los Angeles Department of Regional Planning 320 W Temple St, Room 1362 Los Angeles CA 90012 <u>commplan@planning.lacounty.gov</u>

## **RE:** Project No PRJ2020-000612 / East San Gabriel Valley Area Plan Draft Environmental Impact Report and Draft Plan Documents

Dear Ms. Kim:

The Puente Hills Habitat Preservation Authority (Habitat Authority) appreciates the opportunity to comment on the East San Gabriel Valley Area Plan (ESGVAP) Draft Environmental Impact Report and Draft Plan Documents dated February 27, 2023. We previously provided comments on the ESGVAP NOP, Initial Study, and April 2022 Draft Plan Documents and appreciate that those comments were taken into consideration for this current draft.

The Habitat Authority is a public joint powers authority established pursuant to California Government Code Section 6500 *et seq.* with a Board of Directors consisting of the City of Whittier, County of Los Angeles, Sanitation Districts of Los Angeles County, and the community of Hacienda Heights. According to its mission, the Habitat Authority is dedicated to the acquisition, restoration, and management of open space in the Puente Hills for preservation of the land in perpetuity, with the primary purpose to protect the biological diversity. Additionally, the agency endeavors to provide opportunities for outdoor education and low-impact recreation.

In the Puente Hills, the Habitat Authority manages the open space in its ownership as well as the open space of Board Member agencies, totaling over 3,880 acres, within the Cities of Whittier, La Habra Heights and the County unincorporated area known as Hacienda Heights. These lands are collectively referred to as the Puente Hills Preserve (Preserve) and are situated along, and within, the southern boundary of the ESGVAP.

Overall, we appreciate the tremendous effort that has gone into producing the ESGVAP document, and support the conservation-minded policies, including the plans to develop a

Page 2 ESGVAP Draft PEIR Habitat Authority

wildlife connectivity ordinance and habitat connectivity plan. The Habitat Authority's full comments are included in Exhibit A.

Thank you for your consideration, and feel free to contact myself or Ecologist Michelle Mariscal (<u>mmariscal@habitatauthority.org</u>) at (562) 945-9003 for further discussion. Also, please maintain our agency on the contact list for this planning process.

Sincerely,

DRAFT

Ivan Sulic Chair

### Exhibit A

# Comments on the Draft Environmental Impact Report and Draft Planning Documents for the East San Gabriel Valley Area Plan

#### **Brief Project Description**

The proposed ESGVAP is a community-based plan that focuses on land use and policy issues that are specific to the unique characteristics and needs of the East San Gabriel Valley Planning Area. The ESGVAP is intended to respond to local planning challenges, guide long-term development, enhance community spaces, promote a stable and livable environment that balances growth with preservation, and improve the quality of life in the East San Gabriel Valley. The ESGVAP includes area-wide goals, policies, and implementation programs within nine different elements. The ESGVAP includes changes to land use designations and zoning in order increase residential density and commercial and mixed uses in areas near transit amenities. The Project would update and consolidate the two existing community standards district is being updated to better implement the objectives of the Area Plan. Boundaries of the Avocado Heights equestrian district (ED) and Trailside ED are being combined and updated to streamline and standardize horse keeping provisions within the two existing ED areas.

#### Draft Environmental Impact Report (EIR)

Section 4.4 Biological Resources

Pg. 4.4-8: The EIR states that, based on review of the CNDDB, mountain lions (*Puma concolor*) have not been reported in the Planning Area; however, please note that two mountain lions were documented within the Planning Area in 2022, highlighting the importance of the proposed ESGVAP policies and goals pertaining to wildlife movement. Most recently, a collared male mountain lion, M317, made a round-trip journey through the Puente-Chino Hills Wildlife Corridor during fall 2022, travelling from the Santa Ana Mountains into the Puente Hills as far northwest as the 605 freeway (W. Vickers, UC Davis Wildlife Health Center CA mountain lion project). A second uncollared mountain lion was killed on the 60 freeway in Diamond Bar in spring of 2022 (https://www.dailybulletin.com/2022/04/16/mountain-lion-killed-on-60-freeway-in-diamond-bar-is-part-of-a-rise-in-roadside-deaths/).

We understand that the ESGVAP is a component of the Los Angeles County General Plan. Our following comments regarding Section 4.4 Biological Resources of the Draft EIR were formulated based on consistency with the General Plan document and intended to firm up the mitigation measures required for future projects.

• Impact 4.4-1<sup>1</sup>: Although the DEIR states that future individual projects "would undergo site-specific review and CEQA analysis to analyze and mitigate potential significant impacts" (pg. 4.4-20), please solidify this by including Mitigation Measures that would require an assessment of biological resources on a project-specific basis, similar to what

<sup>&</sup>lt;sup>1</sup> Impact 4.4-1 per the Draft PEIR: "Would the Project have a substantial adverse impact, either directly or through habitat modifications, on any species identified as a candidate, sensitive, or special status species in local or regional plans, policies, or regulations, or by the California Department of Fish and Wildlife (CDFW) or U.S. Fish and Wildlife Service (USFWS)?"

Page 4 ESGVAP Draft PEIR Habitat Authority

was specified in the Draft Environmental Impact Report for the Los Angeles County General Plan 2035 (dated June 2014; pages 1-33 and 34) as follows:

- "BIO-1: Biological resources shall be analyzed on a project-specific level by a qualified biological consultant. A general survey shall be conducted to characterize the project site, and focused surveys should be conducted as necessary to determine the presence/absence of special-status species (e.g., focused sensitive plant or wildlife surveys). A biological resources assessment report shall be prepared to characterize the biological resources on-site, analyze project-specific impacts to biological resources, and propose appropriate mitigation measures to offset those impacts. The report shall include site location, literature sources, methodology, timing of surveys, vegetation map, site photographs, and descriptions of biological resources on-site (e.g., observed and detected species as well as an analysis of those species with potential to occur onsite)."
- "BIO-2 If there is potential for direct impacts to special-status species with 0 implementation of construction activities, the project-specific biological resources assessment report (as mentioned in Mitigation Measure BIO-1) shall include mitigation measures requiring preconstruction surveys for special-status species and/or construction monitoring to ensure avoidance, relocation, or safe escape of special-status species from the construction activities, as appropriate. If special-status species are found to be nesting, brooding, denning, etc. on-site during the pre-construction survey or monitoring, construction activity shall be halted until offspring are weaned, fledged, etc. and are able to escape the site or be safely relocated to appropriate offsite habitat areas. Relocations into areas of appropriate restored habitat would have the best chance of replacing/incrementing populations that are lost due to habitat converted to development. Relocation to restored habitat areas should be the preferred goal of this measure. A qualified biologist shall be on site to conduct surveys, to perform or oversee implementation of protective measures, and to determine when construction activity may resume."
- Additionally, please include a mitigation measure that would require compensatory mitigation for unavoidable direct or indirect temporary and permanent impacts to candidate, sensitive, or special status species and their habitats prior to disturbance, similar to what is specified in MM BIO--4.4-1 (Impact 4.4-3, pg. ES-13 of the ESGVAP DEIR).
- Impact  $4.4-2^2$ : See comment regarding Impact 4.4-1 above.
- Impact 4.4-5<sup>3</sup>: We disagree with the finding that Impact 4.4-5 would be less than significant with incorporation of only Mitigation Measure BIO-4.4-2, which specifically pertains to nesting birds. Because the ESGVAP accommodates increased residential density and commercial and mixed uses in areas near transit amenities, there is the

<sup>&</sup>lt;sup>2</sup> Impact 4.4-2 per the Draft PEIR: "Would the Project have a substantial adverse effect on any sensitive natural communities (e.g., riparian habitat, coastal sage scrub, oak woodlands, non-jurisdictional wetlands) identified in local or regional plans, policies, regulations or by CDFW or USFWS?"

<sup>&</sup>lt;sup>3</sup> Impact 4.4-5 per the Draft PEIR: "Would the Project interfere substantially with the movement of any native resident or migratory fish or wildlife species or with established native resident or migratory wildlife corridors, or impede the use of native wildlife nursery sites?"

potential for direct and indirect impacts to wildlife movement resulting from construction, increased housing density, and increased traffic volumes. Such impacts could include behavioral changes, avoidance of suitable habitat and increased wildlifevehicle mortality within established wildlife corridors (e.g., on Harbor Boulevard and S. Hacienda Boulevard, both of which cross the Puente Hills Preserve and thus the Puente-Chino Hills Wildlife Corridor). Please include a Mitigation Measure that, at minimum, addresses impacts to wildlife movement, similar to what was specified in the Draft Environmental Impact Report for the Los Angeles County General Plan 2035 (dated June 2014; pg. 1-34) as follows:

"BIO-3 No feasible mitigation measures are available that would reduce impacts to wildlife movement completely. However, corridors shall not be entirely closed by any development, and partial mitigation shall be mandatory for impact on wildlife corridors and wildlife nursery sites. This shall include provision of a minimum of half the corridor width. (The width shall be at least what is needed to remain connective for the top predators using the corridor.) Mitigation can include preservation by deed in perpetuity of other parts of the wildlife corridor connecting through the development area; it can include native landscaping to provide cover on the corridor. For nursery site impacts, mitigation shall include preservation by deed in perpetuity for another comparable nursery site of the same species."

Appendix C: ESGVAP Plan Area Communities: Land Use and Zoning Change Figures

- Rowland Heights Land Use map figure: Pathfinder Community Regional Park and vicinity are identified as "C-Commercial" on this figure, however we believe this was done in error. This is an important connection for the Skyline-Schabarum Trail, and south of this area is an area of open space that facilitates wildlife movement between habitat on either side of Harbor Boulevard, therefore we do not support Commercial development here.
- There are numerous inconsistencies between the figures provided in Appendix C of the DEIR compared the information provided on the ESGV Proposed Land Use Policy and Zoning website referenced in Appendix E of the draft Plan Document (<u>https://lacounty.maps.arcgis.com/apps/instant/sidebar/index.html?appid=48eb4076c4e7</u> <u>4f2caa8f2a21a78dcfd6</u>) making it difficult for us to review and provide comments.

### **Draft ESGVAP Documents**

Land Use Element (and associated maps)

- We encourage the ESGVAP to include zoning or land use designations for open space that are biologically important for the region but not yet legally protected.
- Please consider changing the Land Use Designation for the following areas/parcels, accompanied by a compatible zoning update, to reflect their location within the Puente-Chino Hills Wildlife Corridor and proximity to adjacent Open Space-Conservation lands:
  - Rowland Heights- It is our understanding that the Rowland Heights Community Plan, dated 1982, will be updated and incorporated into the ESGVAP, presumably providing an opportunity to also modify Land Use Designations. As interpreted from the Rowland Heights Land Use Map figure in Appendix C of the Draft EIR, the Land Use Designations used in the Rowland Heights Community

Plan will continue to be used after the Community Plan is incorporated into the ESGVAP and the following comments are based on that interpretation. The southern portion of Rowland Heights comprises open space that is crucial for maintaining connectivity between the Puente Hills and Chino Hills for wildlife movement. This area is directly adjacent to LA County's only wildlife undercrossing structure which was specifically built to facilitate safe wildlife movement beneath Harbor Boulevard to ensure connectivity with open space on either side of the busy roadway. This area has a land use designation of Transitional Open Space, per the Rowland Heights Community Plan (and as interpreted from Appendix C of the Draft EIR), which allows for residential development. Even low-density housing introduces edge effects and fragmentation that will cause wildlife avoidance. Further, the majority of this area is mapped as a Very High Fire Hazard Severity Zone therefore residential development would be in conflict with other policies as outlined in the Plan Document.

- Please change the Transitional Open Space Land Use Designation to the Open Space designation, based on the Rowland Heights 1982 Community Plan definition of Open Space.
- If the Land Use Designations used in the Rowland Heights Community Plan will continue to be used after the Community Plan is incorporated into the ESGVAP, as interpreted from Appendix C of the Draft EIR, please provide the definitions of those Land Uses in the ESGVAP document.
- If the Land Use Designations will be updated for consistency with the other ESGVAP communities, please consider changing the Transitional Open Space Land Use Designation to the lowest density designation.
- Hacienda Heights- the International Buddhist Progress Society parcel (APN 8204-036-021). The Puente-Chino Hills Wildlife Corridor is at its narrowest width through the stretch where this undeveloped parcel is located, therefore conserving it is crucial for wildlife connectivity. It also contains intact oak woodland and other native habitats. Please consider changing the Land Use Designation on this parcel to a lower density limit. This will presumably maintain some level of permeability to wildlife, and reduce potential impacts to the intact oak woodland habitat.
- We support **Policy LU-5.1: Hazard Areas.** "Avoid new development in designated environmental hazard areas, including frequently flooded areas, areas prone to landslides, wildland/urban interface areas, and Fire Hazard Severity Zones" (Pg. 2-16) and **Policy LU-5.2:** "Prohibit new development on lands surrounded by Very High Fire Hazard Severity Zones (VHFHSZs) in the Puente Hills and adjacent areas" (Pg. 2-16).
- Please consider adding a policy that requires fuel modification zones and associated activities be strictly limited to the parcels being developed (i.e., prohibit fuel modification activities from spilling over onto adjacent parcels when those parcels are owned by unrelated parties).

Page 7 ESGVAP Draft PEIR Habitat Authority

Natural Resources, Conservation & Open Space Element

- We appreciate that this element's focus has been more appropriately narrowed as compared to the April 2022 draft of the document which had heavily included trails, access and recreation within its scope.
- Pg. 5-9 "Wildlife-Vehicle Collisions": Please correct the name of our agency to the Puente Hills Habitat *Preservation* Authority.
- Pg. 5-9 "Potential Impacts to Biological Resources of Road Widening Projects": We appreciate that the ESGVAP document directly addresses road widening projects in this section and commend the Public Works Department for not having plans to widen the Los Angeles County portion of Brea Canyon Cutoff Road as stated. The proposed widening of this road in Orange County at a critical wildlife linkage poses significant impacts to wildlife movement within the Puente-Chino Wildlife Corridor, undermining the considerable investment in, and ecological sustainability of, open space to the west.

#### Parks and Recreation Element:

• Pg. 6-2 "Existing Conditions": The statement "There are also other park spaces which are owned and operated by cities, conservancies, and state and federal agencies" unintentionally excludes the Puente Hills Habitat Preservation Authority, which is a public Joint Powers Authority (a local government agency). Please consider revising this statement to be more inclusive.

#### Additional Comments:

- We support **Policy RH-19: Brea Canyon Road.** "Prohibit the widening of Brea Canyon Road and maintain the current width as it exists in the county for maximum protection of habitat areas" (Pg. 8-48).
- Section 8.9 Rowland Heights: Please consider adding a policy concerning Wildfire and Safety Risks for Rowland Heights. A southwestern portion of open space in this community is currently mapped as a Moderate Fire Hazard Severity Zone (FHSZ; Figure 4.18-1) despite being surrounded by land with a Very High FHSZ designation. While we acknowledge that the FHSZ mapping is not within the ESGVAP's control, we maintain that the Moderate FHSZ designation on these parcels is unjustified and we are concerned that this designation will accommodate future residential growth, thus increasing probability of wildfires (as well as other ecologically detrimental edge effects). As described on page 8-52 for South Diamond Bar, given the severity of the wildfire threats, development in these high-risk areas should be completely avoided.
- We support **Policy PR-4.7: Ranger and Law Enforcement Collaboration.** "Support ranger and law enforcement collaboration, increased nighttime presence, and enforcement to reduce the occurrence of nighttime parties and shutdown party sites in open space recreation areas. Such activity disturbs wildlife, neighborhoods, and presents wildfire threats" (Pg. 6-10). The County-managed and Habitat Authority-managed trail networks are interconnected, and all efforts to increase ranger and law enforcement collaboration is appreciated.

Exhibit B AMY J. BODEK, AICP Director, Regional Planning

DENNIS SLAVIN Chief Deputy Director, Regional Planning

#### NOTICE OF AVAILABILITY OF DRAFT ENVIRONMENTAL IMPACT REPORT FOR LOS ANGELES COUNTY EAST SAN GABRIEL VALLEY AREA PLAN PROJECT NO.: PRJ2020-000612 ADVANCE PLANNING CASE NO.: RPPL2021-013047 GENERAL PLAN AMENDMENT NO.: RPPL2022003554 ORDINANCE NO.: RPPL2022014158 ZONE CHANGE NO.: RPPL2022003557 ENVIRONMENTAL ASSESSMENT NO.: 2022003550 STATE CLEARINGHOUSE NO.: 2022040512

In accordance with the California Environmental Quality Act (CEQA), the County of Los Angeles (County), as Lead Agency, has filed a Notice of Availability (NOA) of a Draft Program Environmental Impact Report (Draft PEIR) for the Project. The Draft PEIR has been prepared in conformance with CEQA (Public Resources Code Section 21000, et seq.) and the State CEQA Guidelines (California Code of Regulations, Title 14, Section 15000, et seq.). This notice provides agencies, organizations, and other interested parties with a summary of the Project and its location, the potential environmental effects, information regarding the availability of the Draft PEIR for public review, and the timeframe for submitting comments on the Draft PEIR.

#### PUBLIC REVIEW PERIOD

The formal public review period for the Draft PEIR begins on February 27, 2023 and ends on April 12, 2023, meeting the 45-day minimum required under CEQA. All comments received by the closing of the public review period will be included in the Final Program Environmental Impact Report (Final PEIR), along with the County's written responses. When submitting written comments, please reference the project name and number and include your contact information. Any comments provided should identify specific topics of environmental concern. Responsible and trustee agencies are requested to indicate their statutory responsibilities in connection with this Project when responding. Should you have any questions, please call (213) 974-6425.

Though email is the preferred form of communication, you may direct your written comments via email and/or U.S. Postal Services no later than 5:00pm on April 12, 2023 to:

Mi Kim, Supervising Regional Planner County of Los Angeles Department of Regional Planning 320 West Temple Street, Room 1362 Los Angeles, California 90012 commplan@planning.lacounty.gov

Notice of Completion and Availability of the East San Gabriel Valley Area Plan Draft PEIR February 27, 2023 Page 2 of 5

# All written comment letters/emails will be included in an appendix in the Final EIR and responded to in the Response to Comments section of the final document.

#### **PROJECT LOCATION**

The Los Angeles County East San Gabriel Valley Area Plan (ESGVAP, Area Plan, or Project) is comprised of the following 24 unincorporated communities of the County: Avocado Heights, Charter Oak, Covina Islands, East Azusa, East Irwindale, East San Dimas, Glendora Islands, Hacienda Heights, North Claremont, North Pomona, Northeast La Verne, Northeast San Dimas, Rowland Heights, South Diamond Bar, South San Jose Hills, South Walnut, Valinda, Walnut Islands, West Claremont, West Puente Valley, West San Dimas, Pellissier Village, Unincorporated South El Monte, and Unincorporated North Whittier. Collectively, these 24 communities are referred to as the East San Gabriel Valley (ESGV) Planning Area, which is one of the County's 11 Planning Areas identified in the County General Plan (General Plan). The ESGV Planning Area is located in the easternmost portions of the County and its associated communities are identified on *Figure 1: ESGVAP Communities*.

#### **PROJECT DESCRIPTION**

The proposed Project is a community-based plan that will guide regional growth and development in the ESGV Planning Area. The primary Project components include the following:

#### General Plan Amendment

The General Plan Amendment will:

- Update, reorganize, and incorporate the existing Rowland Heights Community Plan and Hacienda Heights Community Plan into the ESGVAP as community chapters.
- Adjust the ESGV Planning Area boundary to include the unincorporated communities of South El Monte, Pellissier Village, and North Whittier.
- Establish the ESGVAP, which will be a comprehensive policy document for the unincorporated communities in the ESGV Planning Area that will include:
  - Area-wide goals and policies for the following topic specific elements: Land Use;
     Economic Development; Community Character and Design; Natural Resources,
     Conservation, and Open Space; Parks and Recreation; and Mobility Action Plan.
  - Area-wide Implementation Program.
  - Proposed land use changes to increase housing and enhance commercial and residential development near major transit stops and along major corridors within no more than one-mile radius of major transit stops and half-mile radius of high-quality transit areas (HQTAs) near major intersections where there is accessibility to existing or proposed frequent transit and commercial services.
  - Community specific chapters with additional goals, policies, and implementation programs that address planning issues unique to a particular community.
  - An updated land use policy map that utilizes the General Plan Land Use Legend to
  - Reflect address inconsistencies between zoning, land use policy designation, and existing use by updating land use designations, where appropriate.

#### Zoning Map Changes

The Project would amend Planning and Zoning (Title 22) of the County Code to:

Notice of Completion and Availability of the East San Gabriel Valley Area Plan Draft PEIR February 27, 2023

Page 3 of 5

- Make changes to the zoning map. The zone changes under consideration are targeted within a one-mile radius of major transit stops and near high-quality transit corridors as follows:
  - A-1 (Light Agriculture) to R-1 (Single-Family Residence, R-2 (Two-Family Residence), R-A (Residential Agricultural), C-1 (Restricted Business), or MXD (Mixed Use Development)
  - C-1 (Restricted Business), C-2 (Neighborhood Business), C-3 (General Commercial), or C-H (Commercial Highway) to MXD (Mixed Use Development)
  - R-A (Residential Agriculture) to R-2 (Two-Family Residence), R-3 (Limited Multiple Residence), C-1 (Restricted Business), or MXD (Mixed Use Development)
  - R-1 (Single-Family Residence) to R-2 (Two-Family Residence or MXD (Mixed Use 0 Development).
- Incorporate the proposed rezoning as identified in the Housing Element 2021-2029 to meet the Regional Housing Needs Assessment goals for the County.
- Re-zone agricultural zones that are developed with residential uses from A-1 (Light Agriculture) to an appropriate residential zone, such as R-1 (Single-family residence) or R-A (Residential Agricultural), so that zoning reflects the existing use and is consistent with the General Plan land use policy designations.

#### Zoning Code Amendments

The Project would amend Planning and Zoning (Title 22) of the County Code to:

- Establish a Planning Area Standards District (PASD) to streamline and simplify development standards that are applicable to the communities in the Project area by moving and reorganizing existing standards such as CSDs, supplemental districts, and other standards within the Project area into the newly established PASD.
- The newly established PASD would regulate development standards in commercial zones, including height. The PASD would also contain provisions that protect significant ridgelines and biological resources.
- Update the existing Rowland Heights CSD to add and strengthen development standards along commercial corridors that improve walkability, community structure design, signage, and landscaping.
- Revise grading and notification standards.

Adjust the boundaries of Avocado Heights and the Trailside Ranch Equestrian Districts to create one consolidated equestrian district and include adjoining properties as necessary.

### SUMMARY OF SIGNIFICANT ENVIRONMENTAL IMPACTS

As presented in the Draft PEIR, the proposed Project would result in significant and unavoidable impacts to Aesthetics, Air Quality, Biological Resources, Noise, and Transportation. The Draft PEIR evaluated potentially significant environmental effects of the proposed project, identified feasible mitigation measures to lessen such impacts, and identified a range of reasonable alternatives to the proposed project. The Draft PEIR included analysis on the following environmental topics not expected to result in any significant impacts: Agriculture/Forestry Resources, Cultural Resources, Energy, Geology and Soils, Greenhouse Gas Emissions, Hazards/Hazardous Materials, Hydrology/Water Quality, Land Use/Planning, Population/Housing, Public Services, Recreation, Tribal Cultural Resources, Utilities/Service Systems, and Wildfire.

NOTICE OF PUBLIC MEETING. Consistent with Assembly Bill 361, which allows teleconference provisions for local agency public meetings, the County will conduct a virtual Public Meeting to inform the public and Notice of Completion and Availability of the East San Gabriel Valley Area Plan Draft PEIR February 27, 2023 Page 4 of 5

interested agencies about the Project and solicit oral and written comments regarding the environmental issues addressed in the Draft PEIR. All interested parties are invited to attend the virtual meeting to discuss environmental issues addressed in the Draft PEIR. The Public Meeting will involve a presentation reviewing the proposed Project, the environmental review process, and schedule. The Project's public meeting will be held virtually, online via Zoom Webinar on **Thursday, March 9, 2023 at 6:00 PM.** 

# The link below will take you to the virtual Public Meeting Webpage with instructions on joining the meeting:

#### https://planning.lacounty.gov/site/esgvap/

Spanish and Chinese interpretation services will be provided during the meeting. If interpretation for another language is desired or if a special accommodation is desired pursuant to the Americans with Disabilities Act, please submit a request to <u>commplan@planning.lacounty.gov</u> or (213) 974-6425 at least seven days in advance of the meeting.

#### **PUBLIC HEARING**

A public hearing on the proposed Project and the Draft PEIR will be scheduled before the Los Angeles County Regional Planning Commission at a time, date, and location to be determined. The public hearing will be properly noticed when the hearing date is scheduled.

#### DOCUMENT AVAILABILITY

A digital copy of the ESGVAP Draft PEIR is available for public review from the following websites:

#### https://planning.lacounty.gov/site/esgvap/ or

https://planning.lacounty.gov/ceqa/notices (under "Advance Planning Projects")

To ensure additional public access to the Draft PEIR, printed (with electronic copies of all appendices) copies of the document are available for public review at the following public libraries:

MEMORANDUM

Agenda Item:	IX. Receive and file the Authority's fiscal year 2021-22 end of the year budget report, and fiscal year 2022-23 mid-year budget report.
Prepared by:	Andrea Gullo, Executive Director
То:	Citizens Technical Advisory Committee
Meeting Date:	March 21, 2023

## Background:

## End of the Year Budget 2021-2022

Attached for your review is the Fiscal Year (FY) 2021-2022 operational expense budget prepared by staff and the Authority's accounting consultant from MV Cheng & Associates.

The FY 2021-2022 Revenue was budgeted for \$1,427,420 and 97% (or \$1,381,964) of the budgeted revenue was received. The shortfall was due to not collecting Los Angeles County Measure A Maintenance and Servicing (M & S) reimbursements.

The FY 2021-2022 Expenses (Operations) was budgeted for \$1,464,323, and 86% (or \$1,252,052) was spent. Expenditures for mitigation projects totaled \$682,737. These mitigation projects were funded by outside sources, and funds are held as restricted in the Authority's account. Expenditures for grant projects totaled \$239,301 and grant reimbursements totaled \$205,002. As of June 30, 2022, the Authority's cash balance in the County pool was \$7,591,609. Please refere the attached report (Exhibit A) for more details.

### Mid-Year Budget 2022-2023

The attached (Exhibit B) is the Authority's mid-year budget report, dated March 14, 2023. The budget was approved by the Board on June 30, 2022 in the amount of \$1,135,156 for revenue and \$1,214,765 for expenses. Several amendments were approved in June 2022, September 2022, November 2022, December 2022 and February 2023. New totals are \$1,393,559 for revenue and \$1,609,272 for expenditures. Please note that a significant portion of the amendment expenditures for contracts with consulting firms SCI and Props and Measures (now Team CivX) are expected to be realized in the following fiscal year, 2023-2024.

As of March 14, 2023, \$530,977 for operations has been recorded as expended. The midyear expended amount may seem low because many of the expenses have not been processed and/or invoiced, such as ranger and technical services. As with every year, many expenditures will occur within the next few months including ranger services, annual fuel modification, agency insurance, etc.

The revenue received by February 2023 totals \$879,124. Revenues from the County allocations for the current fiscal year for Measure A M & S funding is tenuous depending on which expenditures will qualify under their revised grant guidelines. Also, staff discovered this year is that the Authority-owned Sycamore Canyon property, which was purchased with County Proposition A funds, may not be eligible for M & S funds as previously thought. This will affect Authority revenue until the issue is resolved with the County and Proposition A grantee, the Santa Monica Mountains Conservancy.

The Authority has not received information about the one-time \$1.3 million state funding from Assembly Bill 178 expected for this fiscal year. This funding was to provide funding for ranger services for firefighting, law enforcement, outdoor education, and protection of the natural resources for trail visitors.

The mitigation restoration budget for FY 22-23 is \$559,955 and \$190,518 had been expended as of the end of February 2023. See also Exhibit C for individual Mitigation project budgets.

The grants budget for FY 22-23 is \$502,319 and \$122,096 has been expended. These funds are provided by state agencies, the Rivers and Mountains Conservancy and CalFire, on a reimbursable basis. The majority of the work will occur in the spring and be invoiced thereafter.

The beginning cash (not accrual) balance at the start of this fiscal year was \$7.59 million. As of March 15, 2023, the cash balance of agency funds in the County pool was \$3,450,270. The drop in the cash balance is due to an additional investment by the Authority. In October 2022, as approved by the Board, an additional \$4 million was invested into the Authority's investment portfolio (endowment) on a short term, 6 month, basis, bringing the total of the endowment for now to \$36,175,000.

Fiscal Year starting July 1 REMAINING (contracted 2019-2020 # \*\*ACTUAL Spent 2013-2014 2014-2015 2015-2016 2016-2017 2017-2018 2018-2019 2020-2021 <sup>†</sup> 2021-2022 Spent Total minus spent) Nakae\*\* \$ 15,327.00 \$ 10,031.50 \$ 5,955.00 \$ 4,225.00 \$ 1,920.00 \$ 1,390.00 \$ 4,030.00 \$ 850.00 \$ 43,728.50 \$ (1, 187.50)Land IQ (New Fields/Earthworks) \$ 11,687.66 \$ 3,123.93 \$ 9,710.07 \$ 3,349.94 \$ 10,459.09 \$ 6.611.15 \$ 4.512.27 \$ 2.958.88 52.412.99 \$ \$ 0.21 S&S Seeds 1,316.85 \$ \$ 1,316.85 \$ (1,316.85)Tree of Life \$ \$ Irrigation Water/Utilities\*\*\* 11,198.69 8.801.31 \$ 3,946.73 \$ 2,899.32 \$ 2,793.28 \$ 1,559.36 \$ \$ Easement Mapping 3.476.00 \$ 6.524.00 \$ 3.476.00 \$ Other (weeding, fencing) \$ Total per fiscal year \$ 15.327.00 \$ 23.036.01 \$ 16.501.66 \$ 16.834.39 \$ 8.063.22 \$ 13.408.45 \$ 10.641.15 \$ 5.362.27 \$ 2.958.88 \$ 112.133.03 \$ 12.821.17 Funds Provided by Agreement 310,867.00 \$ Access Fee & Admin Fee - Phase 1 (10k access) & 2 (10k access \$5k admin) 25,000.00 \$ **Funds Committed to Phase 1 Contracts** 85,115.33 \$ Funds Committed to Phase 2 Contracts \$ 124.954.20 Contingency Fund (funds provided minus Access/Admin fee & funds committed to contracts) 75,797.47 \$ Total Remaining (Funds Provided minus Access Fee & Remaining Funds from Committed Contracts) \$ 97,319.28 EXCESS FUNDS WERE PREVIOUSLY INVESTED INTO THE AGENCY ENDOWMENT -ACTUAL REMAINING FUNDS TO DATE \$0 \*Does not include retention amount (to be paid later as a separate invoice), but does include performance & payment bonds \*\*Irrigation hooked up to Ridgewood Mitigation site in October 2010 and lumped onto same bill as OCWR site because used same meter. However, OCWR was not irrigated after November 2010 (except for small areas in January 2012). As of 3/4/2014 started tracking water use with this Project under Phase 1 thru FY2014/15 - as of FY 2015/16 started tracking water under Phase II +Additional year of site maintenance (weeding) deemed necessary. Fifth year report and Quantitative monitoring deferred until spring 2020-2021 so budgeted amount split between FY 19-20 and 20-21 for Land IQ Includes \$1,200 change order from Nakae for work done in 2014 but not invoiced until FY19-20 (Tree of Life plant container plant propogation) NOTE: Costs for each fiscal year consider the date that the payment request was submitted by the Habitat Authority, not the date of the invoice submitted by the contractor
